EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

1. In claim 1, line 18, "having a series" has been amended to read -- having said series --.
2. In claim 11, line 22, "engage article" has been amended to read -- engage an article --.

The following is an examiner's statement of reasons for allowance: While GUNNARSSON discloses flipper arms pivoting a conveyed board, KUMAGAMI discloses a chain attachment to a chain conveyor to facilitate flipping, and SHIMELD shows a structurally similar flipper arm, having the flipper arm pivotally attached to the chain conveyor and pivotable at a fixed position with respect to an associated lug as detailed in the language of claims 1, 11, and 16, is not taught or fairly suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles N. Greenhut whose telephone number is (571) 272-1517. The examiner can normally be reached on 6:30am - 3:00pm EST.
